**Packaging Information**

Individual Box, 10 Per Box

**Overview**

**Key Features**

- HydroShield coating: Honeywell's new anti-fog lens coating provides highest fog-free performance - even after extended wear and repeated cleanings – and provides greater scratch resistance than the current anti-fog coating.
- Proprietary Floating Lens TM design offers increased flexibility to fit more wearers.
- Secure wraparound brow expands to fit a wide range of users.
- Lightweight: 27 grams. The cushioned temple ends ensure gentle contact behind the ear, the spot that is usually the most sensitive for spectacle wearers.
- Soft flexible “fingers” on the nosepiece reduce slippage. Stylish design.

**Recommended Industries/Use**

- Other
- Construction
- Manufacturing
