

21.5mmø x 1300-4000mm Aluminium Telescopic Handle

SKU: HAN1352

804548011081

Aluminium 4 stage telescopic handle, 1300mm - 4000mm, grey only. Each stage has a twist lock. The threaded end fits any brush or squeegee in our Food Hygiene Range, and also the T1072 and T1073 duster brushes. We recommend the use of lighter brushes and squeegees with this handle. At its full extent it is good only for lighter jobs, like dusting ceilings and ceiling lights. It comes with an angle connector (AH/CON) included, allowing any fitting to be angled as required. The HAN1352 is metal, and conducts electricity. TAKE SPECIAL CARE NEVER TO USE THE HAN1352 NEAR ANY LIVE ELECTRICITY. See also FGH5. If you need extending handles for window washing equipment, see PW14.
