

853 x 100mm Salmon[®] Litterpicker with TriggerGuard

SKU: LP31

804548012286

The Hillbrush Litter Picker is light, strong and versatile.

This 853mm long litter picker has a lightweight aluminum body and a sturdy high visibility yellow plastic TriggerGuard™ grip handle which makes it easy to hold and use. The guard protects the hand in difficult undergrowth areas, and may be used for hanging up the unit.

The lower part of the jaw has teeth for extra grip and the upper section an anti-slip pad, making this litter picker practical and versatile

For larger, gloved hands, consider the LP30. Try using this with the HH1 handy bag hoop.
