

PRODUCT NUMBER: 1005041

MN10 Miller Aluminium Tripod

Miller aluminium tripod, 2 anchorage points, self locking, fully adjustable legs with rubber feet, complete with one pulley, height 2.10m

Overview

Reference Number

1005041

Product Type

Fall Protection

Range

Tripods

Brand

Miller by Honeywell

Industry

- Telecoms
- Utilities

Product Use

Aluminium Tripod Confined Space

The Miller tripod used in conjunction with the Miller fall arrest blocks and winches, form the core of a stable and secure confined entry / rescue system.

Suitable for use on manholes, tanks, hatches and other below-ground work and confined spaces.

2 anchorage points and adjustable and lockable legs.

Rubber Protection

Stainless steel pulley included

Features & Benefits

Feature

Two anchorage points. Supplied with one pulley.

Benefit

Easily installed by one person, the self-locking, fully adjustable legs lock securely in place thanks to the automatic pins. No chains are needed to secure the feet, which greatly reduces the risk of tripping.
