Overview

Key Features

Miller by Sperian Relief Step offers an innovative safety solution designed to temporarily relieve the effects of suspension trauma on a conscious worker suspended in a full body harness

Hazards

- Fall from height

Warranty Information

Our state of the art equipment provides the critical tool for worker protection, combining mobility with unsurpassed comfort.

At our ISO 9001 certified manufacturing facilities in Europe, we ensure that every Miller product is made in accordance with the standards and meets your exacting requirements.

Training & Proper Use

Training is an essential part of any safety program. The employer is responsible for ensuring that any person working at height is fully informed regarding the correct use of PPE and systems.
