Certifications

- Waterproof and breathable Sympatex® membrane.
- Stabilisation with MASCOT's patented multi-function shank, makes our footwear suitable even when working on uneven surfaces or on ladders.
- The flexible nail protection of special textile increases comfort and protects against cold. In addition, the textile midsole is larger and better protects against nails and sharp objects in a wider area compared with a steel midsole.
- Extra long lifetime with durable TPU reinforcement at the toe.
- Ergonomically designed aluminum toe cap for freedom of movement.
