

900 x 280mm Angle Lobby Broom with Lightweight Lobby Dustpan - Blue

SKU: DP10SETB

804548008333

Lobby dustpan and soft brush set. The dustpan and handle is 1000mm long when hung up and the dustpan is closed. The brush and handle part is 900mm overall. The brush is 240mm wide. The maximum size of the mouth of the dustpan is 270mm wide x 64mm high, and the pan is 228mm deep. It has a soft lip ensuring close contact even with slightly uneven flooring. The brush is flagged to catch more dust, the Polyethylene fibers have plenty of flick for sweeping up bigger items of rubbish. The handles of the dustpan and the brush clip together, and the entire unit may be hung up after use, we recommend using the HDHOOK1. The handles are made with grey painted steel, with swivel hanging holes. This set is very good for all light industrial, janitorial, restaurant and household use, weighing in at just 850g. If you need a tougher or bigger set, try our DP5SET, or for a colour coded food grade set, see our DP7SET. See also our litter pickers prefixed LP.
