

400mm Ultra Hygienic Squeegee - Blue

SKU: PLSB40B

804548014914

400mm single blade Polypropylene squeegee, threaded to fit all handles in the Hygiene Range, with overmoulded single rubber blade. It is seamless, one-piece, very easily cleaned, light, very durable, metal free and wonderfully effective. The rubber in this squeegee is a special oil resistant formula. However if oil is likely to be in contact with the squeegee regularly, the user should do tests beforehand, to make sure the squeegee performs to expectations. Recommended handles ALH7, ALH27, PLH3. Many other types of squeegee are available, including double foam squeegees, and wood and metal frame squeegees.
