## 517388 FLAME RETARDANT 2-LAYER JACKET

PFAS-free and Inherent Flame Retardant Hi-Vis jacket with a thin lining to achieve high protection against Electric Arc. The jacket also has a high protection against welding and grinding splashes.

The front and sleeves are made in Cantex Weld fabric, which provides additional high protection against welding and grinding splashes. The back in Cantex Stretch, provides the garment with flexibility and gives you freedom of movement with high levels of comfort. Concealed front zip and press studs. Extended back. Two loops for communication equipment. Right chest pocket with flap, tool strap and concealed D-ring. Left chest pocket with flap. Vertical pocket with zip on left chest. Side pockets with flap. Adjustable cuffs with press studs. Two inside pockets. Contrast stitching. Special order - please allow an additional 5 days approximately.
